

J. George Patterson of New Glasgow in the County
of Pictou and Province of Nova Scotia, Minister of
the Gospel, being in good health, but sensible of the
uncertainty of life, and desirous that after my decease
my worldly affairs be settled without trouble to my heirs
do make this my last Will and testament, as follows,

First, I will that all my just debts, funeral and testamentary
= any expenses be paid.

Secondly, All my household furniture and personal
property, except as herein provided, I give and bequeath
to my dear wife Margaret, if she shall survive me, for
her own use during her lifetime, with power to dispose
of the same, if she shall see fit. If she shall have made
no disposition of them during her lifetime, it is my will
that at her death the same shall go to my daughters
Helen and Louisa for their own use absolutely. If my
said wife shall predecease me, then it is my will that
the same shall be theirs at my death, they having pro-
= vided a large part of the same.

Thirdly, Of my library (1) I give and bequeath to my
son George Eddie all my historical works, including
any in Church history that he may choose, also all in law,
science, and philosophy, also the Encyclopaedia Britan-
= ica, Smith's dictionary of the Bible, Alford's Greek
Testament, English Miscopla, Saenger's Commentary,
if he desires it, and also any literary curios or antiquities
publications that I may be possessed of at the time
of my decease. It is my will that there be counted
to him at the sum of four hundred dollars in the
settlement of my estate. (2) After my said son George
has received the books thus specially willed to him -
I will that my wife, if she survives me, have any of
the residue that she may choose, and that after that,
she or in the event of her not surviving me, my executors
shall at her or their discretion, distribute among my

other children any books that they may desire.
After they have made their selections, I will that
my son George have any of the residue that he may
choose. (3.) All that remain after this I give and
bequeath to my nephew J. George P. Millar, if he shall
at that time, of the settling of my estate, be engaged in the
work of the Holy Ministry, to be used or disposed of for
his own benefit in any way that he may see fit. But
if from any cause he should at that time not be so engaged
then I bequeath the same to the Board of management
of Manitoba College, to be disposed of as they may deem
best for that institution. If however I should leave any
memoranda with this my last will and testament re-
garding the distribution of any of these books I wish them
to be attended to.

Fourthly, To my son Hugh I give and devise the
sum of five hundred dollars, intending this as an
equivalent to him for what I have done for my other
sons during my lifetime, the same to be paid to him
as soon as the two policies of Life Assurance which
I now hold, one from the Scottish Amicable Life
Assurance Association, the other from the Clerical
Mutual shall have been realized.

Fifthly, As soon as the said policies of Life Assurance
are realized, I will that my executors hereinafter
named, set apart the sum of two thousand dollars
as a trust fund, to be kept by them, safely invested,
the interest to be paid by them yearly to my daughter
Mary, free from all control of her husband, during her
lifetime. Further it is my will that if her daughter
Margaret should survive her, and should be under
the age of twenty five at the time of her decease, my said
executors shall apply the interest to her benefit, in
the way they deem most for her interest, till she
reaches the age of twenty five years, and that on

her reaching that age, or in the event of her having reached that age before her said mother's death, the principal shall be paid to her the said Margaret Living. If the said Margaret Living shall die without issue before her mother my said daughter Mary, then it is my will that on the death of my said daughter Mary the said principal be distributed as the residue of my estate is by this will ordered to be. If however the said Margaret Living die in the circumstances mentioned but leaving offspring, then it is my will that the executors apply this trust fund principal and interest for the benefit of such offspring, exactly in the same manner as is here ordered regarding their mother, the said Margaret Living.

Sixthly - It is my will that, if my said wife survives me she shall have the use of the house and property on which I reside in New Glasgow, during the term of her natural life, and at her death if she shall survive me, or if not on my death, I give devise and bequeath the same to my daughters Helen and Louisa to their own use absolutely.

Seventhly, The residue of my estate, I will that if my wife shall survive me, my executors shall keep safely invested, and pay the interest to her yearly, during her lifetime and on her death or on my death if I shall survive her, I will that the same be divided equally among my children, Helen, Louisa, Hugh, and George, share and share alike.

Lastly, I appoint as executors of this my last Will and testament, my son George Geddie Patterson and John W. Sinclair Esquire, Barrister at Law, of New Glasgow.

In testimony whereof I have hereunto my hand and Seal subscribed and set, this seventh day of September A.D. 1895.
