Notes for Robert Robertson:

The following is a quote from a pamphlet written for the 175th anniversary (1934) of John Robertson's arrival in Churchville, Nova Scotia:

" In 1685 when Lord Fraser of Lovat married the daughter of the Marquis of Atholl, a certain Robert Robertson, who belonged to the Struan Robertsons living in Atholl country in Perthshire, was chosen as a fit person to accompany the bride to her northern home as her personal aid and attendant - 'chamberlain to Lady Lovat' he was called in one existing document - 'factor to Lady Lovat' in others. When, after her husband's death, Lady Lovat returned to her own people, Robert Robertson remained behind and settled in the parish of Kilmorack near Beaully. His fourth son, also named Robert, was the father of John Robertson, who was born in 1729 and who in 1918 was buried in the old cemetery at New Glasgow, aged ....."

John of Aberdeen - a 140 ton brigantine, master Robert Allan, from Aberdeen via Cromarty to Halifax and Shelbourne, Nova Scotia, and Philadelphia, with passengers, 22nd day of May, 1784, arrived at Halifax, Nova Scotia, 31st day of July, 1784.

A paper I have written by Hannah Glen ("Glennie") MacDonald suggests that eight families from the Ship John journeyed overland on foot to join relatives in Pictou County, many of whom would have arrived on the Hector.

John emigrated with his wife Margaret (MacKay) and six children to Halifax on the ship "John" in July of 1784. They went on foot to Churchville where they settled on a grant (84th Regiment) of 450 acres on the east branch of the East River. This land was evenly divided between his twelve grandsons and Alexander Duff.

John's wife Margaret is the sister of Roderick MacKay - a Pioneer who arrived in Pictou on the Hector on Sept. 13, 1773. John's daughters Christina and Margaret married sons of Colin McKenzie and his daughter Mary married John Grant who were also Hector Pioneers. His son William (Miller) married Colin McKenzie's daughter Christina.

John was a farmer on the estate of Lovat in the Parish of Kilmorack in Inverness Scotland.

---

### Generation 3 (cont.)

His father was Robert Robertson and his grandfather - also Robert Robertson was Factor or Chamberlain to Lady Lovat - wife of Lord Fraser of Lovat and daughter of the Marquis of Athol. When she married Lord Lovat in 1685, Robert Robertson accompanied her from her native homeland and also settled on Lovat's estate.

John and Margaret are buried in the old Pioneer Cemetery near the former New Glasgow train station. Along side is the grave of their grand daughter Mary (daughter of James) who died on Mar. 26, 1809 at the age of 11 years. Many other descendants are buried either in an old cemetery (1810-1922) on the road then leading to New Glasgow behind the home of Rod MacLellan or in a newer cemetery opened in 1860 in the village of Churchville.

John's second home still stands at Churchville and was in the care of his greatgreatgrandson John Gordon Robertson. Across the road is a cairn which was erected in 1934 and dedicated on Aug. 15 of that year to commemorate the 150<sup>th</sup> year since the first arrival of Robertsons in Churchville. A second celebration was held on Aug. 5, 1959 which was attended by many descendants including Senator Wishart Robertson of Ottawa. Since the death of JGR (Sept. 30, 1978), the upkeep of the home has been neglected. Even the old original elm tree under which John and his sons slept on their first arrival has died (1995).

In John's scrapbook, is a photo taken from LDS microfilm of their marriage vows. - interesting reading. There is also a photo of the plaque in the chain erected in 1934. In their respective scrapbooks are photos of their birth records. These were also obtained from LDS microfilm.

Many of the scrapbooks of John's cousins, aunts and uncles also have photos of their respective birth records.

John Robertson and Margaret MacKay had the following children:

Grant, in 1787. She was born on 01 Jul 1772 in Drumnadrochit, Inverness-shire.

Notes for James Robertson:

He is buried in the old abandoned cemetery adjacent to McLelland's farm. He and Ellen were married by the Rev. James McGregor.

Head stone:

James Robertson Aug. 18, 1835 in the 71 year of his age

Notes for Ellen MacDonald:

She and James were married by the Rev. James McGregor. Ellen and her sister Ann were twins.

The following came from Ben MacDonald - Glendale Arizona:

I can tell you that Ellen McDonald's line is thought to have come from a Gaelic "Bard" who was well-known in Glenmoriston and that the family most likely descends from the Clan "Eoghain Bhain" (this information was supplied through correspondence with ClanDonald Skye who had some information from the Gaelic Department at the Univ of Edinburgh)

Originating in Glenmoriston, either her grandfather (Ewen the Younger or possibly Eoghain Bhain) relocated to Glenurquhart after the 1692 massacre, or her father, John (son of "Ewen the Younger"), relocated to Glenurquhart after the 1746 Culloden Battle. I can't be sure of which one moved where.

In my correspondence with the Clan Donald Archivist at Skye, she raised some doubts that the 1st 4 children (Duncan, Alexander, Mary & Christy) always mentioned as children of John McDonald (Iain MacEoghain Oig) and "Jenet", might have actually been children of a slain sibling of John McDonald (possibly slain at Culloden) and John and Margaret Grant raised them as their own and brought them to the colonies in 1775. She bases this on the supposed year of birth of eldest son Duncan in 1740 Loget and John reported as being "over 60" when he settled at Bridgeville in 1783. She said it was not very common for the average Highland Scot to marry before age 30 in the mid-1700's because they first had to establish themselves financially. When they got to Nova Scotia, they married earlier as there were more opportunities and a shortage of women (both Ellen and her twin sister Ann married when they were only 17 or 18)

There is no doubt about the final four (James, Hugh, Ann, Ellen) being the children of John McDonald and Margaret Grant as they have been well documented, plus James lived to 103 and Hugh to 93, so there was plenty of opportunity to pass along an oral lineage to their own children.

From

\*The Celtic Magazine, VI." regarding the MacDonalds of Glenmoriston: "Annually at the inn of Aonach, in the Braes of Glenmoriston, MaclanRuaidh, their Chief, met with the Lord of the Isles, to renew their bond of friendship which was done in the primitive style of exchanging shirts. This ceremony constituted MaclanRuaidh the "leine chrois" or faithful ally of his insular majesty. But when it was found necessary to curtail the almost regal power of these potentates, they were deprived of Glenmoriston amongst others, which was handed to the Grants of Freuchie.....These Livisic MacDonald's were allied by marriage to the house of Glencoe. This may account for their prompt friendship to the young chief (who is said to have sought refuge there after the massacre).....But, as is well known, Glenmoriston passed over to the Grants in the reign of James IV, who had recognized the necessity for crushing, in every way possible, the

.....The Red Bard and his heir, Hamish na Creagach, never went to live in Glen Urquhart, but continued to live in Castle Grant in the Spey. They did send colonies of settlers to Glen Urquhart and gradually subdued it. But Young John led his followers into Corriemonie and settled there after hard fighting. Big John led his people into Glenmoriston, built his house there and settled his people, but there were five tribes of MacDonalds in Glenmoriston and it took several generations to subdue them.

The Mc\Mac spelling has changed over 300 years originally it was a Gaelic derivative - M'Donald

In my own family the spelling at the time they left Glenurquhart (1775) and at the time of settlement in Nova Scotia (1783) was McDonald, however, the small c was normally underlined to denote Mac. In our Bible, I saw it change from McDonald (with an underlined c) to MacDonald about 1880

Today, depending on where the various families relocated to, I have found some still use the McDonald spelling, while others use the MacDonald. I guess it boiled down to someone not understanding the meaning of the underlined c and dropping the underline, continuing as McDonald. When I was a young boy, I asked my great aunt Hughena MacDonald (b. New Glasgow - 1879) about the McDonald spelling in our family Bible and she explained it to me. The same has applied to other Scots names Mc\mac

It is William's greatgrandson -John Gordon- who until his death on Sept.30,1978 was the last owner of the original "Robertson" home in Churchville.

He and his wife Christina are burried in the abandoned cemetery adjacent to McLelland's farm.

William Robertson (known as Billy Miller) built a grist mill in 1784. It used water from a dam on Robertson's lake (now called Forbes Lake). The mill burned and his son William rebuilt a new mill. After William Jr.'s death, his son - another William operated the mill until it was sold to Matthew Stewart. Still later, the town of New Glasgow took over the lake and diverted much of the water to drinking water ducts, leaving insufficient amounts of water to run the mill.

Robertson; Isabella Dunbar: relict of late James Robertson died 22 May at Churchville,  
Pictou in her 75 year  
Presbyterian Witness Sat. 29 May 1897 Vol. L No 22 Page 176

It is not absolutely known for certain that this "Isabella Dunbar" - spouse of James  
Robertson and daughter of Donald Dunbar/Betty ? are the same person. It appears that they are,  
but there is no direct evidence - i.e. nothing is known of James Robertson's wife's parents nor is  
there anything known of Isabella - daughter of Donald Dunbar and Betty ? . However there  
appears to be no other Isabella Dunbar in Pictou County at the same age. Donald died young  
leaving Isabella and her Mother - Betty who may have remarried. It is assumed that Isabella kept  
the name" Dunbar".

Since writing the above, new evidence has come to light that this Isabella Dunbar is as identified -  
see below:

FUNERAL OF CHARLES ROOD  
(New Glasgow News, Monday)

---

## Generation 6 (cont.)

This morning at 9:30 many hundreds of the chief citizens of New Glasgow and many in the humbler ranks of life, assembled at the late residence of the late Charles L. Rood on Temperance Street, to pay their last tribute of regard and affection for a man who was held in the highest esteem by all who knew him, and this extended over a long life time.

Rev. Robert Farquhar, St. Andrew's, of whose church the deceased had been a member for many years, conducted the services, assisted by Rev. Robert Johnston. The choir of the church had previously assembled and opened with a beautiful rendering of "O God Our help in ages past" in which the mourners joined. Then followed "Asleep In Jesus". Rev. Mr. Farquhar then paid an eloquent tribute to the many high qualities and generous characteristics of the deceased gentleman. During the service the bells of St. Andrew's tolled a solemn dirge.

On the completion of the service, the coffin was removed to the waiting hearse, the pall bearers being Hector Sutherland, B. DeVeber, John Church and Angus Grant. A procession was then formed of those in the house, and the hundreds of mourners who had assembled outside, being unable to obtain entrance to the building, and slowly wended its way to the station.

The chief mourners were Alexander MacGregor, ex-M.P., the deceased's business partner, Henry Gray, son-in-law, Lewis and Daniel Ives, nephews.

A large and representative number of New Glasgow citizens accompanied the body by train to be present at the burial.

The services in Pictou were conducted in St. Andrew's Church after which the remains were taken to Haliburton Cemetery for interment, the funeral cortege being a large one.

The Evening News had the following notice of Mr. Rood's death:-

Mr. Charles L. Rood, one of New Glasgow's leading citizens, passed to the life beyond at 10:40 o'clock last night. He had been in good health until some ten days ago when he contracted pneumonia. His condition soon became critical, the best medical skill was secured but the end came as stated.

Deceased was 71 years of age. He was born at River John and removed to Pictou with his mother when a boy of fifteen. His mother started a hotel in a small way and in the course of a short time the business passed into her son's hands. He developed it and in due time the Revere Hotel became one of the leading hostelrys of eastern Nova Scotia.

Subsequently, he sold the hotel and then moved to Elmsdale where for a couple of years he was engaged in gold mining with the late Evan Thompson and others.

He then moved to New Glasgow and formed a partnership with Alex. McGregor, ex M.P. As Rood & McGregor they conducted an extensive lumber business for the past twenty five years. During that period they conducted the largest lumbering operations in Eastern Nova Scotia.

Deceased was a man of few words but his word was as good as his bond. In business circles he was held in the highest regard. He was always a strong Conservative and his death comes as a distinct loss to the party of his choice.

He was always ready to assist those in need of help whom he deemed deserving and his good deeds were done so that his right hand was not aware what was done by his left. Mr. Rood shunned publicity and his acts of charity were hid as if it were under a bushel.

He will be missed in St. Andrew's Church at which he was a regular attendant and to which he always contributed freely.

He is survived by his widow and one daughter, Mrs. Henry Gray, New Glasgow. He is also survived by three sisters, Mrs. Malcolm Morrison, Vancouver, Mrs. D.W. Kitchin, Weston, Mass. and Mrs. George Fiske also of Weston. Two brothers and two sisters predeceased him.

Pictou Advocate, 17 March 1922 p.3.

following university graduation in agricultural science. He was managing a fifteen-thousand-acre farm in Saskatchewan upon the outbreak of the First World War. He was gazetted a lieutenant in the 195th Infantry Battalion, 1915, trained at Winnipeg and Camp Hughes, and went overseas as musketry officer in the 195th Battalion in October 1916. Shortly afterwards the 195th Battalion was broken up to provide reinforcements for units in action. He was one of eighteen lieutenants sent to other infantry formations in France, of whom nine were killed and eight wounded. Posted to the 44th Battalion of the Fourth Division, he was wounded slightly twice. After promotion to captain he was seriously wounded in the arm and leg, in the battle for Vimy Ridge. After two years in hospital, he returned to Canada on a hospital ship.

Relocating in Saskatchewan, he joined the Regina Rifle Regiment, and passed through sundry appointments to command it with the rank of lieutenant-colonel. The Department of National Defence accepted his offer of the unit's service when the Second World War broke out in 1939, but Lieut.-Colonel Robertson was not permitted to serve owing to his low medical category, due to his first war wounds. He was rejected for the same cause when he made application for an appointment in the Royal Canadian Air Force. He was sent to London in 1942 by the Canadian Government as an agricultural commissioner, and was appointed agricultural counsellor for Canada, a post entailing diplomatic rank, in 1944. NOTE: This list of names, dates and locations has been compiled from records originally developed and maintained by two persons - Emily (Campbell) MacPherson and Alexandra [Allie] MacPherson. Each of these ladies passed on her record of notes so that the family names could be assembled and compiled into one single record to be passed forward to succeeding generations. The Campbell records which were started and enlarged by Emily (Campbell) MacPherson were passed on to her grand-niece Jessie (Dolly) (MacMillan) Wilkes who continued the records.

The joint Campbell-Fraser records were researched, edited and compiled by Alexander Donald Campbell.

He married Virginia Worobel, daughter of John Worobel and Jean Kolynchuk, on 19 Apr 1969 in St Catharines, Niagara, Ontario, Canada. She was born on 15 Oct 1945 in St Catharines, Ontario.

Notes for Allan James Robertson:

Allan James Robertson was born on Thursday, August 26, 1943, in Pictou, Nova Scotia, Canada. He is the son of James Ives Robertson and Charlotte Helen MacDonell. Allan's Father was born in Stellerton, NS but lived mainly in Pictou, NS. Allan's Mother was born in Judique on Cape Breton Island, NS She mainly grew up there but also later on lived in nearby Port Hood, NS. His paternal ancestors originated from a Scottish immigrant (John Robertson) who received a substantial land grant in the Churchville area of Pictou county, NS. Allan's maternal grandmother out lived three husbands (Allan MacDonell was the second and Father to Allan's Mother) The third husband was James MacDonald and he was the sheriff of Richmond county- Port Hood is the county seat. James's brother Angus L MacDonald was the premier of NS at one time. He has the Halifax harbour bridge named after him.

Allan's parents met in a place called Catalac, Quebec. They moved to Pictou, NS and then moved briefly to St, Catharines, ON where Allan's sister Lois was born in 1948. They lived in an apartment on Church St near Geneva St. Later that year, the family moved back to Pictou and lived for a brief period in a rented home on Beaches Road - near Laudon's Beach. They then moved to Elm St in Pictou, NS. Later, they moved to 21 Chestnut St - Allan is most familiar with this address as he lived there from grade school until grade 10. Then his parents "swapped" homes with his paternal grand parents who lived 95 Faulkland St - SE corned of Faulkland and Patterson St. The house is still there but the number has changed due a change in the house

numbering system. Bea's (nick name for his paternal grandmother) cousin - Margaret Harris (nee Fraser) lived in a home on Patterson St - across from Bea's home. (SW corner of Faulkland and Patterson streets)

The home was actually jointly owned by Bea and her older (unmarried) sister Annie Ives. When Annie died, she willed her half to Allan's Father, When Bea died, Allan's Father got the home but his brother Len and sister Louise received all the fine antique furniture. Allan still has in his possession two mantle decorations that belonged to Bea's Mother - Ocenia Fraser. These pieces may even predate her as there is no record as to where they came from.

Allan's Father worked in the ship yard as a sheet metal worker. He later started his own business from some funding from his brother Len. However it was not entirely successful. They eventually sold the house and moved to a trailer home at 7 Oak St. Allan's Father died in 1989.

Allan's kindergarten year was at the former Patterson school on Wellsford St near Poplar St. Grades 1 and 2 were at Stella Maris Convent. Allan remembers one of his class mates (his last name was Bell) drown after falling of the wharf. The whole class went to the funeral after visiting the remains in the family home. (Grades 3-6 were at the former Dawson school (now gone). Grades 7 and 8 were back at the Patterson school and finally grades 9 to 12 were at Pictou Academy. Allan's grades were "average" up until Grade 11 then in Grade 12, he and one of his friends (Wayne Madore) decided that they would be first in their class. Wayne did graduate 1st but Allan was 2nd. They edged out a girl (Maureen Mullins) who had continually placed first in her class through out her Junior and Senior high school years.

His closest friends while growing up were Wayne Madore and Melton Scanlan - they married two sisters and became teachers. They lived in Green Hill - near Pictou. John Murray who attended Dalhousie University and became a medical doctor. He practised in Sussex NB. Larry McCormack who also attended St Francis University and became a geologist.

In his younger years, Allan was very close to his paternal grandmother (Louisa "Bea" Robertson - nee Ives). He spent a lot of time with her and had a lot of fun playing cards with her. He was her "favourite grand child" - perhaps because he was the first. His grandmother also lived in St Catharines with him and his parents. Allan would often walk (mostly run) with her to Montebello Park and also visit with a family friends (Browns?) who lived at 56 lake St.

Bea willed him an old family photo album that belonged to her grandfather - William Ives. That photo album along with a booklet on the history of the Robertson family which was updated by his uncle Len Robertson, got Allan very much interested in the family genealogy. The result is this family tree of over 27,000 related persons.

Because of the influence of his high school science teacher (Mr. Peter Whyte), he decided to be a chemist. Mr. Whyte allowed Allan and his friend Wayne to stay after school and "experiment" in the lab - unsupervised!! In hind sight, not a wise thing to do - but they survived with "all of their fingers" still attached.

Both Allan and Wayne enter the bachelors program at St Francis Xavier University in 1961 and took up chemistry as their major. Allan graduated from St Francis Xavier University (BS Hon. in 1965 and received his MSc 1967). Unfortunately, his friend Wayne got hooked on golf in his third year and then dropped out of university. He later took up teaching and did very well.

Allan lived on campus for his under graduate years and then boarded off campus while working on his master's degree. Part of that time he lived with the Ray MacDonald family - Ray was a news announcer at the local radio station (CJFX). The MacDonald's had five children - 4 boys named Mathew, Mark, Luke and John and one daughter - Mary.

His closest friends while at university were Tony McPhee-from Sydney, NS and one of the brightest students who was also a chemistry major. Tony taught Allan how to play chess. Out of hundreds of games, Allan only won once. Bruce Barron - a "pre-med". student from Portland, ME, Marry Osiany - she came from Hungary with her family in 1956 after the Hungarian uprising. Gary McQuade - also his roommate in his junior year. Gary was from Ottawa and was one of the star hockey players with St FX.

During his Freshman year, one of his chemistry lab instructors was a graduate student named "Bud Gallivan" - a nephew to "Danny Gallivan" who was a famous hockey announcer for the Montreal Canadiens. Bud went on to Notre Dame University where he obtained his PhD. He then went to work for American Cyanamid at the corporate research lab in Stamford, CT. Bud rose through the ranks and eventually became VP of the division in which Allan worked. Allan's boss at that time was a direct report to Bud and on his boss' passing, Allan reported to Bud for a brief period. Unfortunately, later in the same year, Bud died from a sudden heart attack. It was shortly after that that Allan was transferred from research to marketing. This was a traumatic change for a

month or so, but then he thoroughly enjoyed the new position.

While at university, during the summer holidays, Allan worked as a lab technician for the then Cyanamid of Canada in Niagara Falls, ON. He worked at the "Welland Plant". For the first 4 summers, Allan resided with his Aunt and Uncle (Louise and Les Bongard). Louise is Allan's Father's younger sister. He hung out with his cousin Robert (Robbie). In later years, Robbie moved to Lunenburg, NS with his second wife.

He bought his first car in the summer of 1965 - a 1956 Ford Fairlane - for \$160. Later, he drove it to Nova Scotia that fall and during the following spring, he sold it for \$200 to a local in the Antigonish area.

During the summer of 1965, he resided at 138 Page St. in Catharines, ON. This is when he met his future wife - Virginia Worobel- who lived next door at 136 Page St. Virginia was in a nursing program at St. Joseph's in Toronto. They "dated" - mostly by mail for about 2 years. After Allan got his MSc degree in January of 1967, he moved back to 138 Page St. and got a permanent job with Cyanamid. Virginia finished her nursing program in 1968.

For the better part of a year during 1968 and Allan was transferred to Cyanamid's Bound Brook NJ site. He boarded at a private home in Summerset, NJ for about 6 months (Mrs. Tureck's home). While there he met a couple of friends who also worked for Cyanamid - Paul Gastrock and George Menghi. Both came to Allan and Virginia's wedding on April 19 of 1969.

After about 6 months, Allan rented an apartment in Raritan, NJ. During this year, he would commute to St Catharines every other weekend.

Then in December of 1968 he moved back to 136 Page St - just in time for a 3 -4 month labour strike at Cyanamid. During that period he was part of the management team that ran the Welland Plant as well as a limestone quarry in Beechville, ON. While at Beechville, he had a half hour training course on how to drive one of those huge trucks used to haul crude limestone from the quarry to the crusher. After 3 weeks of that he was reassigned to the Welland Plant as an operator in the production area - he much preferred this job.

The strike finally ended about a week prior to the wedding on April 19, 1969.. The wedding took place at the St Catharines cathedral with the reception at the Ukrainian Black Sea hall. It was a typical Ukrainian style wedding with approximately 150 guests. Allan's parents as well as his younger siblings, and aunts and uncles from Chatham, New Brunswick and Montreal attended. Virginia also had several relatives from Saskatoon and Winnipeg and Fort Frances, ON also attended.

Virginia's sister and brother-in-law were maid of honour and best man Allan's cousin Robert Bongard and Allan's sister Lois as well as Virginia's cousin and a best friend - Ann Cotnam were also in the wedding party.

After the reception, they stayed over night at Prudholms hotel in Vineland before heading off to Jamaica for a week long honeymoon. They landed in Montego Bay and rented a car. They stayed there for two nights and then toured the Island. Finally flew home from Kingston.

Virginia and Allan lived with her Mom at 136 Page St for about a year - during which Jenny was born on Jan 30, 1970. During the summer of the following year, they moved into a newly built home at 80 Meredith Dr. in St Catharines. Virginia's Mom moved with them. On July 6 of 1971 Adele was born and on August 11 of 1973 Lara was born.

The house on Meredith Dr was starting to get a bit crowded. They then bought their current home at 36 Forster Ave in Thorold for the amazing low price of \$64,000 which likely would sell for \$400,000 today (2018)

Allan spent his working career as a research chemist with Cyanamid of Canada Inc. - which later became Cytec Canada Inc. 1995 Since his retirement in 2013, Cytec was bought by Belgian company called Solvay. For about 40 years, he worked in the lab and then for the last 11 years, he took on a marketing role. Over his career, he obtained 12 patents and either authored or co-authored about 50 scientific papers. He also received a Circle of Excellence Award from the company for scientific achievement. As part of the award, there was a weekend all expenses paid visit to NYC - including a Broadway play and gala dinner with the other award winners and company executives. Stayed at a fancy hotel on Park avenue.

The job - especially in the later years, involved a considerable amount of travel - either to scientific conferences or visiting customers - almost all were outside of Canada - mainly in the US, Europe, South Africa and Australia. At several of the conferences, - those related to phosphorus chemistry- he presented talks. They took place in such places as Duke University in Durham, SC, Tallin, Estonia, Saltzberg, Austria, Jeruslahem, San Francisco and Sundhi, Japan .On some occasions such as the conferences, Virginia came along.

### Generation 9 (cont.)

In December of 1995, Cyanamid became Cytec. Allan eventually retired in April of 2013 after 51 years of serving with Cyanamid/Cytec. This was the second longest service term within the company. The company put on a great retirement party with about 70 employees attending. The guests also included the company CEO and well as the corporate HR VP.
