GENERAL REGISTER

The full names (not initials, nicknames or diminutives) of Pupils must be neatly entered in this table. These, with the Pupil's number which must remain unchanged during the year, grade at beginning, and the parent or guardian, must be entered in the Annual Return of this department. The remaining columns must be filled in before the Annual Return is made at the close of the year. In the case of a pupil who has been transferred from one department to another within the same school section, the name, number, address, etc., must be entered in the Annual Return of the department into which he is transferred, and in the Annual Return of the department from which he is transferred, the name, number, address, etc., must be written in contracted form (instead of the figures, etc., indicated by their headings) in the department, thus: "Transferred into 4th Dept."—contracted: "Tr. 4th Dept."; or thus: "Tr. to IV. East" or "Tr. to 7th Dept."—contracted: "Tr. to IV. East" or "Tr. to 7th Dept." The name of the department being made as brief as required for the short space. It must be carefully remembered that a pupil is not to be entered in the register of the other department. If a Pupil simply leaves school with the intention of entering another school, there is no transference. His name and attendance, etc., must all remain on this page. (There can be no transference of a pupil from one school to another, and in such schools, of course, the "rectified" attendance will be the same as the "Days" attendance.) The name of a pupil who has left the school (out of the school) must neither be counted nor entered in the Annual Return of this department. For further explanations see last page.
